Assoc. Prof. Dr. Nguyen Huynh Phan,
President
Institute for Research and Development
of New Technologies
Vinh city, Nghe An Province
Vietnam

Dear Assoc. Prof. Dr. Phan,

Thank you so much for your cooperation and your trust in our university. We are very pleased to admit **Ms. Pham Ngoc Anh (Date and place of birth: 22/10/1994, Song Be Province)** to be in the 4-year bachelor's degree program in Tourism Industry, provided that she has passed the intensive Thai preparation course, beginning after the orientation around Mid-October, 2012.

As soon as she is granted her study visa and you confirm the date of her travel to Thailand, we will arrange for transportation to pick her up at Nakhonpanom Border in Nakhonpanom Province. Please do not hesitate to contact us if any problem arises, regarding immigration formalities and their coming to Thailand.

We wish you, your students and staff all the very best and the brightest future.

Yours sincerely,

(Assoc. Prof. Dr. Somjet Poosri)
President
